

## **EXPECTATIONS OF STAFF AT COMPLETE KIDS CARE**

- ✓ To be a positive force in the life of each child.
- ✓ To always give 100% to the children.
- ✓ To always be completely prepared; to have lesson plans ready in advance, materials available for students and instructors are knowledgeable of the information to be presented.
- ✓ To be fair and honest with students and families.
- ✓ To enrich and/or remediate for each student where appropriated.
- ✓ To build self-esteem and self-pride in each student so that every individual knows that what he/she does and says is important.
- ✓ To always expect and only accept the very best work from my students and staff.
- ✓ To always keep open the lines of communication between home and Complete Kids Care. To develop a positive working relationship with the families we serve.
- ✓ To challenge my students in a positive way without frustrating them.
- ✓ To help students develop effective study habits by sharing and implementing strategies that aid in that development.
- ✓ To give students the time to listen to their problems or concerns.
- ✓ To listen to all sides of every situation.
- ✓ To help the children enhance their “thinking” skills as part of learning, to reach their full potential.
- ✓ To make the classroom a fun, safe place to be.
- ✓ To keep my superiors informed of classroom needs and situations that may arise.
